Behind our Pizzas

The Dough – our Station House dough is made by hand from the best wheat flour, using a 24 hour fermenting process to ensure the maximum flavour is achieved.

The Pizza Sauce – our Station House Pizza Sauce is slowly cooked to ensure it's rich and full of flavour using fresh tomatoes, fresh basil and oregano, garlic and onions and finished off with Greybe Olive Oil.

The Toppings – At Station House we do our best to source local ingredients from local suppliers around Dumfries & Galloway.
